AUTISM SUPPORT TEAM

AutismSupportTeam@southwark.gov.uk

The Autism Support Team will be operating a remote service during this current time of nursery and school closures. Our specialist team are able to provide consultations to parents/carers, and educational staff via digital communication. This may be a scheduled telephone appointment, facetime appointment, email or text message.

We will also operate a daily helpline during working hours should you wish to speak to a member of the team to discuss ways in which you can support your child at home.
