

## Summer Term Newsletter 5

**Friday 18<sup>th</sup> May 2018**

### Hot weather reminders

With the recent hot weather due to continue, it is advised that children wear a protective hat and apply a sun screen before leaving for school in the morning.

To make sure that the children have easy access to water, we will be providing disposable cups so that they can get drinks from the taps in the classrooms. Children are also given frequent reminders to have drinks from the fountains at the end of play and lunchtimes.

Please note that sunglasses are not allowed to be worn unless there is a specific medical need.

---

### Cinema Club

The Friends of John Ruskin will be running the next cinema club on **Wednesday 6<sup>th</sup> May** in the Language Unit building from **3.45-5.15pm**. The KS2 movie will be **The Jungle Book (2016)** in Lime Classroom and the KS1 movie will be **Paddington** in Purple Classroom.

A few tickets are still available for each film and cost **£1.50 per person**, which includes popcorn and drinks.

**All children must be accompanied by an adult.**

The funds raised from this event will go towards renovating the playground markings.

## Internet safety

Internet safety is a priority for children accessing online games such as Roblox, musical.ly, Fortnite, Subway Surfers, Minecraft, Kick off and iKON

Although the games are aimed at children, we would recommend that parents supervise them if they are playing these online games, as they are able to chat to strangers while playing.

The NSPCC and O2's Net Aware site and app have now been updated with new reviews that help parents explore and understand online life as children know it. It provides online safety information and advice on privacy settings and other features, as well as recommended age guidance and risk ratings for inappropriate content.

Net Aware is a tool for parents or anyone working with children, who want to better understand what young people are doing online. Please click <https://net-aware.org.uk/> to access the site.
