Best Value Statement 2022-23

The Governors of **John Ruskin Primary School** are committed to achieving Best Value in all decisions made. We use the principles of Best Value as they apply to securing continuous improvement to the school and will:

- **Regularly review the functions of the school, challenging how and why services are provided and setting targets and performance indicators for improvement**
- **Monitor outcomes and compare performance with similar schools and with the school**
- **Consult appropriate stakeholders before major decisions are made**
- **Promote fair competition through quotations and tenders to ensure that goods and services are secured in the most economic, efficient and effective way**
- **We will strive to ensure that the school is using its resources effectively to meet the needs of pupils**

We will submit our Best Value Statement with the annual budget plan. The progress of the annual budget plan and the Best Value Statement will be monitored with the School Improvement Plan in order to determine the extent of continuous improvement.

The school has in place a strategy and a set of guidelines, updated annually, which will ensure that Best Value will be reviewed and demonstrated.

This year we will focus on procurement, efficiency savings and cost savings.
