What Purple class are learning	Hints for helping your child
Literacy	rimis for helping your child
Fiction- Voices In The Park - We will be learning about the vocabulary you can use in stories to make them exciting and interesting. We will be using lots of adjectives and descriptive phrases. Non-Fiction- We will identify the features of non-fiction text. -We will explore the use of paragraphs and headings. -We will make our own information books. Rotation Group - The past tense - Sentence structure including	Read stories with your child. Talk about the different themes in stories. Encourage your child to describe the characters and the setting. Encourage independent writing using pencil and paper or a computer about topics/characters etc that interest them. Please read with your child for about 10 minutes every evening. Also support your child with the sentence practice they bring home each evening.
adjectives - Rhyming and syllables - Narrative- characters, setting, problem and solution.	Look at children's IEP targets and support them with the suggestions mentioned there.
Numeracy This term we will be working onCounting up to and beyond 100.	Ensure your child completes their maths homework every week.
- Understanding and using place value- Hundreds, Tens and Ones.	Practice counting in 2s, 3s, 5s, 10s Practice learning by heart number bonds to 10 and 100. Halve and Double facts up to at least 10+10 and identify odd and even numbers.
- Using the symbols +, -, *, ÷ and = to record number sentences involving all four operations. Recall the 2, 5 and 10 times tables and then the 3 and 4.	E encourage practical maths – finding shapes around, counting, telling the time, helping to pay at the shops, helping with cooking.
- Identifying and continuing number sequences.	Play Maths games online - e.g <u>www.ictgames.com</u> and <u>www.topmarks.com</u> etc
- Describing and sorting shapes, including identifying right angles.	Help your child to practice their multiplication tables and the corresponding
- Solving word problems involving addition, subtraction, multiplication or division.	division facts E.g. 2 × 5= 10 10 / 2 =5
- Recognising and using whole, half and quarter turns, both clockwise and anticlockwise; know that a right angle represents a quarter turn.	Support your child with their IEP targets.
Science	Engagement volum shild to matical about any
Light	Encourage your child to notice shadows

Now shadows are made. Plants We will be looking at what plants need to grow and the life cycles of plants. ICT We will be looking at presenting our work using video. History The Stone Age to iron Age We will be learning about how people lived in the Stone Age. Geography Around My School We will be learning about the physical and human geography of our local area. Art Lascaux Cave Paintings- This will link with our work on the Stone Age. DT Playgrounds We will be designing and building a piece of playground equipment. The children will be using a variety of materials to build their constructions, thinking about how to make their playground structure stable and exciting. Music Drumming, new songs. Fine Motor Finger exercises, writing, tracing lines, drawing, painting, sewing, threeding beads. Introducing the first and second joins to use in their handwriting. PE and Gross motor Swimming-Children in Y3 & Y4 will have swimming lessons weekly. Indoor and Outdoor PE. Encourage your child to edit videos, if they use video at home. Encourage your child to edit videos, if they use video at home. Encourage your child about chronology. Talk to your child about chronology. Have a wander around your local area. Identify key aspects of it, such as parks, markets, shopping areas, travel, etc. Point out repetitive designs and patterns. Encourage your child to look around the local playground. Why is the equipment strong? What makes it exciting to play on and look at? Listen to different drumming music. Visit the library and find out about different types of drums. Encourage children to tear up and roll paper, play with elastic bands. Encourage your child to look around the local player child to the park for running, sports and other healthy activities. Your child will love a simple trip to the adventure area in your local park.	We will be looking at how light travels and	and the source of light.
We will be looking at what plants need to grow and the life cycles of plants. ICT We will be looking at presenting our work using video. 	Indoor and Outdoor PE.	your local park.

Children practise these five main areas:	Take your child swimming- it's one of the best forms of exercise and children love it! Ask your child to show you some of the exercises they have been doing in school- e.g. the table top, the bridge, the windmill, the chair, the horse and the aeroplane.
PSHE- Friends' Group Feelings- we are going to be learning about the vocabulary around feeling. We are going to talk about what triggers different feelings and appropriate ways to express ourselves. Individual differences- we are going to discuss how we are all individuals and how our differences must be respected	Discuss feelings with your child. Try and use different vocabulary for our emotions.
French - We will be learning the names of fruits as well as to say the names of colours in French. We will be consolidating the vocabulary we have already learnt.	Get books / tapes to support child's early learning in French. Ask children what they have learned to help them refresh.

Additional Useful Information

When doing these activities, remember to:

- -take time out to sit with your child and reflect on their day- even if just ten minutes everyday
- -face to face at child's level
- -talk- try not to ask too many questions
- -talk about things you can see and touch (e.g.: real objects, pictures, photos...)
 - Thursday- PE
 - Friday- PE
 - Homework is due in-given out on Fridays.
 - Reading books are changed when your child has read it.
 - Try to read with your child on a daily basis, this will improve their reading, writing and listening skills.
 - Please check your child's book bag daily.
 - Book bags and reading books should come in everyday.
