

P.E (PHYSICAL EDUCATION) AND SPORTS PREMIUM 2022-2023

Sport Premium is an amount of money which the government has agreed to allocate to schools to increase the quality and breadth of PE and Sport provision, and increase participation in PE and Sport. The funding amount received by schools is based upon the number of children of primary age at the school.

John Ruskin Primary School and Language Classes already has an excellent reputation for Sport and P.E. and we are proud of all of our sporting achievements. We welcome the additional funding, which will further enhance our provision and provide additional opportunities for increased participation.
