Weekly Running

It's a new year and a great time to start something new. We always enjoy taking part in the Mini Marathons so we are going to start some weekly running! The aim is to improve our physical and mental health. It will also help us with our concentration and it will get us ready for learning.

All classes now have a weekly slot and the aim is to run for 15 mins/1 mile. This is about 20 laps of our track. No special equipment is needed although children can wear their trainers on their day! We just go out and run! Here's some photos of us getting started!

We are going to see how we get on this term and hopefully, we can try to increase the amount of running next term. If you would like to find out more, visit <https://thedailymile.co.uk/what-is-the-daily-mile/> for more information.

Love running? Why not join in with Burgess Park Junior Park Run. It's free, every Sunday at 9am. Register here to take part. <https://www.parkrun.org.uk/burgess-juniors/>

Curriculum in Action – Nursery

Curriculum in action- Nurseries

We love learning outside!

Both Nurseries have been very busy learning new skills both inside and outside.

We have been learning to work together and listen to each other.

We love to create art using nature found in our gardens.

We learn important maths skills that include counting and sorting.

We practice gross motor skills that will help us to grow up healthy and strong. We also practice our fine motor skills that help to develop our pre writing skills.
