Please remember:

- water bottles.
- a cap/hat for your child to wear during playtime and lunchtime in the playground.
(Please ensure that it has your child's name clearly written inside.)
- It would also be advisable to put sun cream on your child each morning before they come to school.
This is especially important if your child burns easily.

In the LU, the children have been learning to say some foods in French.

As part of their Knowledge Day, Lime Class enjoyed a delightful French Café experience where they created their own menus and practised ordering food in French, using phrases they had learned in class. The children sampled traditional French treats such as baguettes, croissants, and gâteaux, bringing a taste of France into the classroom. This immersive activity not only enhanced their language skills but also gave them a fun and memorable insight into French culture.

I loved making the French suncatcher and can't wait to take it home. - Kyron
